

GADDESBY
BATHROOMS

WELCOME

Yes, a bathroom needs to be practical. But that doesn't mean it can't be a restful personal sanctuary. That's where GADDESBY comes in.

Creating a fresh, luxurious look, GADDESBY pre-assembled furniture brings the bathroom together beautifully.

The range has something for every taste and the designs can incorporate a host of thoughtful features such as soft close drawer runners and door hinges.

A bathroom is a very personal space. So it's important to get under the skin of what people want from theirs... and after nearly 40 years in the business, we feel we do. Which is why the GADDESBY range features design innovations, natural colours and tones and quality craftsmanship. After all, that's what we'd want in ours.
